## Thin Lizzy, Remembering Part Two

I could wait and watch you See it all unwind I could wait and look at you See you change your mind

Well, even though I'd enjoyed it The truth to tell Kid, I've got to leave Those scenes behind

Here I go into a new day Here I go into a new way

When you stood in that shady doorway You winked your wicked eye I looked at you in wide eyed wonder Smiled, and said "hi"

Just like you did woman with

That groovy guy that just passed by Well, even though I adored you the truth to tell Kid, I've got to leave those scenes behind

Here I go into a new day Here I go into a new way

I guess I could call you my woman But freedom I need So down that road I'll be walking Got to have time and space to breathe

Even though I loved you
The truth I've got to tell
I enjoyed every moment
But kid, you know darned well I've got to leave

Here I go into a new day Here I go into a new way
