

# Thin Lizzy, Remembering Part Two (New Day)

And I could wait and watch you  
See it all unwind  
And I could wait and look at you  
See you change your mind  
And I could even look into your eyes  
see them hypnotize

Well, even though I'd enjoyed it  
The truth to tell  
Kid, I've got to leave  
Those scenes behind

Here I go into a new day  
Here I go into a new way

When you stood in that shady doorway  
And you winked your wicked eye  
And I looked at you in wide eyed wonder  
You smiled, and said "Hi";

Just like you did woman  
With that groovy guy that just passed by  
Well, even though I adored you the truth to tell  
Kid, I've got to leave those scenes behind

Here I go into a new day  
Here I go into a new way

I guess I could call you my woman  
But freedom I need  
So down that road I'll be walking  
Got to have time and space to breathe

Even though I loved you  
The truth I've got to tell  
I enjoyed every moment  
But kid, you know darned well I've got to leave

Here I go into a new day  
Here I go into a new way
