

Thin Lizzy, Someday She Is Going To Hit Back

Woman don't like it - hurting her this way
Someday she is going to hit back
The woman don't like me in her own way
Someday she is going to hit back
Woman don't like it - treating her like this
Someday she is going to hit back
The woman she don't love the lonely
Someday she is going to hit back

Woman don't like it - begging on her knees
Someday she is going to hit back
Oh please, please, don't desert me
Someday she is going to hit back
Woman don't like it - treating her this way
Someday she is going to hit back
There is tenderness in the heart of the lonely
Someday she is going to hit back

[Solo]

Someday she is going to hit back [4x]
Woman don't like it [4x]
Someday she is going to hit back [4x]

She feels so lonely
Woman don't like it
She feels so blue
Woman don't like it
He has lost her now
Woman don't like it
Oh... woman, you knew what she could do
Woman don't like it

Woman don't like it - says it has to stop
Someday she is going to hit back
The woman she says she doesn't love me
Someday she is going to hit back
Woman don't like it - the woman don't say a lot
Someday she is going to hit back
With one last kiss she leaves him lonely
Someday she is going to hit back
