

# Thin Lizzy, That Woman

(Lynott)

Lonesome gambler  
That woman will lead to heartbreaks  
Take the word of one  
Who played and lost in love

I played it cool  
I dealt the heartaches  
I broke rules  
But that woman she cut me up

That woman's gonna break your heart  
That woman's gonna tear your soul apart  
That woman's gonna wreck your head  
That woman's gonna leave you sad, so sad

If your life depends  
On what you are losing  
You're still refusing  
To believe in fate or chance

You don't know now  
But it's the wrong card you're using  
That deck you're using  
Is stacked against romance

That woman's gonna break your heart  
That woman's gonna tear your soul apart  
That woman's gonna wreck your head  
That woman's gonna leave you sad, so sad
