

Thin Lizzy, The Boys Are Back In Town

Guess who just got back today?
Them wild-eyed boys that'd been away
Haven't changed, had much to say
But man, I still think them cats are crazy
They were askin' if you were around
How you was, how you could be found
I told 'em you were living downtown
Driving all the old men crazy
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
You know that chick that used to dance a lot?
Every night she'd be on the floor shakin' what she got
Man when I tell you she was cool she was red hot
I beleive she was steamin'
Remember that time over at Johnny's place?
Well, this chick got up and she slapped Johnny's face
Man, we just fell about the place
If that chick don't want to go, forget her
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
Spread the word around
Guess who's back in town
Friday night they'll be dressed to kill
Down at Dino's bar and grill
Drink will flow and blood will spill
And if the boys want to fight, you better let 'em
That juke box in the corner blastin' out my favourite song
The nights are getting warmer it won't be long
Won't be long til summer comes
Now that the boys are here again
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back, the boys are back
