

Thin Lizzy, The Boys Are Back In Town (Live)

Guess who just got back today
Them wild eyed boys, that'd been away
Haven't changed, had much to say
Man I still think them cats are crazy

They were asking if you were around
How you was, where you could be found
Told them you may be living downtown
Driving all the old men crazy

The Boys are back in town (The boys are back in town)
(I Said) The boys are back in town
The boys are back in town
The boys are back in town (The boys are back in town)
The boys are back in town (The boys are back in town)

You know that chick that used to dance a lot?
Every night she'd be on the floor, shakin' what she'd got
Man when I tell you she was cool she was red hot
I mean... steamin'

And that time over at Johnny's place
Well this chic got up and she slapped Johnny's face
Man we just fell about the place
If that chic don't wanna know... forget 'er

The boys are back in town (The boys are back in town)
(I said) The boys are back in town
The boys are back in town
The boys are back in town (The boys are back in town)
The boys are back in town (The boys are back in town)

Spread the word around
Guess who's back in town

Just spread the word around

Friday night... dressed to kill
Down at Dino's bar and grill
The drinks will flow and blood would spill
And if the boys wanna fight you better let 'em

That jukebox in the corner blasting out my favourite song
These nights are getting warmer and it won't be long
Wont be long till the summer comes
Now the boys are here again

The boys are back in town (the boys are back in town)
The boys are back in town (the boys are back in town)
The boys are back in town (the boys are back in town)
(Spread the word around)
The boys are back in town

They've been hanging down at Dino's
