

Think About Mutation, Overload

call me insane without a brain nude assassin go to hell
call me insane without a brain nude assassin go to hell
what's beside the border?
nothing like bad taste
open minded shit
body terrorism
numb legs
wrong freedom
creased reality
head smog
call me insane without a brain nude assassin go to hell
call me insane without a brain nude assassin go to hell
go to hell go to hell go to hell
nothing like old bodies save me...
nothing like old bodies save me...
call me insane without a brain nude assassin go to hell
call me insane without a brain nude assassin go to hell
go to hell go to hell go to hell
