

Third Day, City On A Hill

You are the light of the world
A city on a hill cannot be hidden
Shine your light before all men
That they might see your works and then
Praise your Father up in Heaven

A city on a hill cannot be hidden
Standing tall before all men
To show the things that it's been given
And everything that it can give
Just like that city on a hillside
We got a light that's deep within us
No, don't keep it to yourself
Just remember how you felt
When you first gave your life to Jesus

And I now that our salvation isn't based on the things we do
But it's only given by the grace of God
By the sacrifice of Jesus, and if we really did believe
We were born to share this message with someone
