Third Day, Come Together

You can all call me crazy For the things that I might say You can laugh all you want to I know there will come a day When we all will come together And learn to set aside our hate And we can learn to love our neighbor Just like we would love ourselves

We've got to come together 'Cause in the end we can make it -- alright We've got to brave the weather Through all of the storms We've got to come together 'Cause in the end we can make it -- alright We've got to learn to love We've got to learn to love

You can call me a dreamer But these dreams will come true Yes, I am a firm believer In the things that we can do If we would all just come together And let the Lord lead our way There is nothing that we can't do There is nothing we can't face

We've got to come together 'Cause in the end we can make it -- alright We've got to brave the weather Through all of the storms We've got to come together 'Cause in the end we can make it -- alright We've got to learn to love

And I know that there will come a day When the Lord will call His own away To a place that He has made for all of us But until the day of His return There's a lesson that we've got to learn We are brothers and we're sisters We are one

We've got to come together 'Cause in the end we can make it -- alright We've got to brave the weather Through all of the storms We've got to come together 'Cause in the end we can make it -- alright We've got to learn to love, We've got to learn to love

Ya know we got to learn, Know ya got to, ya know we got to learn to love Yeah, yeah Don't you know, oh yeah, don't you know We've got to learn to love
