Third Day, Give / Turn Your Eyes Upon Jesus / W

You said all that follow You may find Comfort and pain, blessings in hard times Were I to leave, where else would I go? The words of life and of truth You hold

All I want is love I confess to this I will take it, Lord All you have to give

Turn your eyes upon Jesus Look full in His wonderful face And the things of Earth Will grow strangely dim In the light of His glory and grace

And You give yourself away And you give yourself away And you give And you give And you give yourself away

All I want is love And I confess to this I will take it, Lord All You have to give All You have All You have All You have to give

Your love, oh Lord Reaches to the heavens Your faithfulness stretches to the skys And Your righteousness is like the mighty mountains Your justice flows like the ocean's tides

And I will lift my voice To worship You, my king And I will find my strength In the shadow of your wings (x3)

Your love, oh Lord Reaches to the heavens Your faithfulness stretches to the sky
