

Third Day, Holy Spirit

I can feel it in the air, I can see Him in this place
and I hope that He never leaves
I'm now without a care, it is something I can't explain
And I feel so free

Holy Spirit, we cry to you
Holy Spirit, in this place
Holy Spirit, we cry to you
Come down on us like a flame

Read about him in the Bible. He was in the men of God
And though I don't deserve it, He is in me
You can feel a new revival. Ask Jesus in your heart.
And you'll feel so free....

Holy Spirit, we cry to you
Holy Spirit, in this place
Holy Spirit, give us comfort
Come down on us like a flame

You've got to feel it, oh to believe it (You've got to feel it, oh to believe it)
You've got to see it, won't you receive Him
Why don't you believe in....

Holy Spirit, we cry to you
Holy Spirit, in this place
Holy Spirit, give us comfort
Come down on us like a flame (like a flame)

Holy Spirit, we cry to you
Holy Spirit, in this place
Holy Spirit, give us comfort
Come down on us like a flame (like a flame)
