

Third Day, I Believe

Give me something
That I can believe
And then I'll share
It with all the world
For everyone to see
Take away the darkness,
All the pain and sadness
I know it's you that put
This light inside of me

Chorus:
I believe in faith
That's strong
I believe in a hope
That carries on
I believe in these
Things and more
Most of all,
Most of all
I believe in love

If I had the strength
To move a mountain
Would you be amazed
By all of my abilities?
I guess it would not mean
Much if I didn't have love
And this is what I really
Want you all to see
