

# Third Day, I Believe

Give me something  
That I can believe  
And then I'll share  
It with all the world  
For everyone to see  
Take away the darkness,  
All the pain and sadness  
I know it's you that put  
This light inside of me

Chorus:  
I believe in faith  
That's strong  
I believe in a hope  
That carries on  
I believe in these  
Things and more  
Most of all,  
Most of all  
I believe in love

If I had the strength  
To move a mountain  
Would you be amazed  
By all of my abilities?  
I guess it would not mean  
Much if I didn't have love  
And this is what I really  
Want you all to see
