

Third Day, I See Love

(feat. Steven Curtis Chapman & Mercy Me)

Some see a teacher
Standing on a hill
Speaking words of wisdom
Some see a healer
Reaching out his hand
To give sight to a blind man
Some see a dreamer
Wasting his life
On what can never be
Some see a fool
Dying for his dreams

But I see love (I see love)
I see love (I see love)
Light of heaven breaking through
Well I see grace (I see grace)
I see God's face (I See Gods face)
Shining pure and perfect love
When I see you
I see love

Some see a prisoner
Alone before his judge
With no one to defend him
Some see a victim
Beaten and abused
With all the world against him
Some see a martyr
Carrying his cross
For what he believes
Some see a hero
Who set his people free

But I see love (I see love)
I see love (I see love)
Light of heaven breaking through
Well I see grace (I see grace)
I see God's face (I See Gods face)
Shining pure and perfect love
When I see you

With your last breath
I see love
Through your death
I see love
I see peace in the eyes of the king
I see hope in your suffering (I see love)
I see a calm in the center of the storm
I see a Saviour

I see love
I see love
Light of heaven breaking through (heaven breaking through)
I see grace
I see God's face
Shining pure and perfect love
When I see you
I see love
When I see you
I see heaven breaking through
See Gods face

Shining pure and perfect love
When I see you
When I see you
When I see you
I see love
I see love
When I see

Some see Him walking from an empty grave...
