

# Third Day, Livin' For Jesus

Sometimes things don't work out quite the way  
that you wanted them to  
Sometimes people don't do all the things  
that you wanted them to  
There are times when  
the answers aren't easy to see  
Sometimes we're on a road  
going back to a place we never wanted to be

CHORUS:

Well that's alright  
I'm just fine. Done made up my mind  
that I'm livin' for Jesus.

When I'm alone and feeling down  
Now, down so deep in my heart  
I turn to Jesus and ask Him  
for a brand new start  
He's the reason for my life  
being something better and new  
And now I've finally found a love  
that is proven tried an true.

CHORUS (repeats)
