

Third Day, More To This

People get ready
For something like you've never seen
Open up your eyes
Open up your heart
Open up your arms
And let the Spirit of the Saviour set you free

You ain't seen nothing yet
All rumors are true
I don't know about you
But I know there's more to this

People, here it is
Just what we've all been waiting for
Open up your eyes
Open up your heart
Open up your arms
And let the Spirit of the Saviour set you free

You ain't seen nothing yet
All rumors are true
I don't know about you
But I know there's more to this

Oh no, it does not all end here
Don't think this is the end
I will tell you again
That I know there's more to this

There's more to life
Than being born and dying
There's more to life
Than slowly growing old
If we are wise
We'll keep our eyes on Jesus
Or miss out on the very thing
That God has made us for

You ain't seen nothing yet
All rumors are true
I don't know about you
But I know there's more to this

Oh no, it does not all end here
Don't think this is the end
I will tell you again
That I know there's more to this
