

# Third Day, Nothing Compares

I've heard all the stories  
I've seen all the signs  
Witnessed all the glory  
Tasted all that's fine

Nothing compares to the greatness of knowing You, Lord  
Nothing compares to the greatness of knowing You, Lord

I see all the people  
Wasting all their time  
Building up their riches  
For a life that's fine

I find myself just living for today  
'Cause I don't know what  
Tomorrow's gonna bring  
So no matter if I rise or fall  
I'll never be alone, oh no
