

Third Day, Skies Fall Down

People talkin' like it's the end of time
I look up to the heavens for a sign
Everybody's lookin' at me
But I won't be deceived or afraid
'Cause I know that the sun is on the way
Sky falls down
It crumbles into the sea
The sun goes out
He's coming back for me
I'll be found at the place
Where the gravity leaves the ground
I won't be comin' down

I've heard rumors that war's not far away
If they take me I know just what to say
Everybody's up in arms
But I won't be alarmed or afraid
'Cause I know that the sun is on the way
