

# Third Day, Take It All

All the promises I've broken  
All the times I've let you down  
You've forgot them  
But still I hold on to the pain that makes me drown  
Now I'm ready  
To let it go  
To give it away

Take it all  
Cause I can't take it any longer  
All I have, I can't make it on my own  
Take the first, take the last  
Take the good and take the rest  
Here I am, all I have  
Take it all

All the roads that lie before me  
All the struggles I go through  
Every second I'm reminded  
That it all belongs to you  
Now I'm ready  
To let it go  
To give it away

Ever since I died to myself  
You gave a better life to me  
I give you my finest moment  
I give you the last breath I breathe
