

Third Day, Take My Life

How many times have I have turned away
The number is the same as the sand on the shore
Every time You've taken me back
And now I pray You'll do it once more

Please take from me my life
When I don't have the strength
To give it away to You
Please take from me my life
When I don't have the strength
To give it away to You, Jesus

How many times have I gone astray
The number is the same as the stars in the sky
Every time You've taken me back
And now I pray You'll do it tonight
