Third Day, Take My Life

How many times have I have turned away The number is the same as the sand on the shore Every time You've taken me back And now I pray You'll do it once more

Please take from me my life When I don't have the strength To give it away to You Please take from me my life When I don't have the strength To give it away to You, Jesus

How many times have I gone astray
The number is the same as the stars in the sky
Every time You've taken me back
And now I pray You'll do it tonight
