

Third Day, This Is Who I Am

I'm the son of a good man
I'm the child of an angel
I'm the brother of a wild one
and I'm lookin for direction
I'm the lover of a beauty
I'm the father of blessings
I'm the singer of a love song
Is that all I'm good for?

This is who I am
This is who I am
So take me and make me something, so much more
This is who I am
This is who I am
So change me and make me someone better than before

I'm a saint and a sinner
I'm a lover and fighter
I'm a true believer with great desire
I'm a preacher of grace, prophet of love
teacher of truth
I've fallen down so many times
Here I stand in front of you

This is who I am
This is who I am
So take me and make me something, so much more
This is who I am
This is who I am
So change me and make me someone better than before

Take me as I am
but please don't leave me that way
cause I know that you can
make me better than I am today

Oooh better than today
Oooohh

This is who I am
This is who I am
So take me and make me something so much more
This is who I am
This is who I am
So change me and make me someone better than before
