

# Third Day, Tunnel

I won't pretend to know what you're thinking  
I can't begin to know what you're going through  
I won't deny the pain that you're feeling  
But I'm gonna try and give a little hope to you

Just remember what I've told you  
There's so much you're living for

There's a light at the end of this tunnel  
There's a light at the end of this tunnel  
For you, for you  
There's a light at the end of this tunnel  
Shinin' bright at the end of this tunnel  
For you, for you  
So keep holdin' on

You've got your disappointments and sorrows  
You ought to share the weight of that load with me  
Then you will find that the light of tomorrow  
Brings a new life for your eyes to see

So remember what I've told you  
There's so much you're living for
