

# Third Eye Blind, Alright Caroline

Tell the truth for once just this time  
Knowing we've been through it  
Baby's eyes look just like mine  
We've both been through it  
Tell the truth for once just this time  
I didn't know how much you  
Would take from me

When you kiss this little girl around  
Give me back mine  
Didn't know what we made laying down  
One more time..  
Tell the truth for once just this time  
It just seems that things, it could've been different  
I can't change it

So alright Caroline  
I won't take nothing from you  
Alright Caroline  
Even if it means the truth  
Alright

When you teach this little girl to walk  
Another will remind  
There's a price to pay for a place safe to hide  
From inside  
The truth for once just this time  
It seems that things, they could've been different  
Both of us  
Both of us

Alright Caroline  
I won't take nothing from you  
Alright Caroline  
Even if it means the truth  
Alright

Time moves faster today, oh  
Let's not speak of it  
Some things you cannot mend  
And I'm watching her sleep  
And it's beautiful  
Tell me when I won't be seeing you again

You didn't even ask me  
If it was alright  
Alright Caroline  
Even if it means the truth  
Alright Caroline  
Alright

To understand you  
I feel you  
To claim to understand you  
But I feel you  
It's gonna take a long time  
To grow young again, yeah, I know  
It's gonna take a long time  
To grow young again, I know  
It's gonna take a long--  
If it was alright  
To grow young again, It was all right  
If it was alright

If it was alright
