

Third Eye Blind, Anything

Anything for you
Turn my castles blue
Turn my bones to sand
Just to see you
I'll give you anything
I'll give you anything
I'll give you anything
Jackie O with the top down open
All the words to what's unspoken
I'll put together everything that's broken
Just to see you
I'll give you anything
I'll give you anything
I'll give you anything
Jackie O with the top down open
A king's horse for what's been broken
I'll bring back even what's unspoken
Just to see you
I'll give you anything
I'll give you anything
I'll give you anything
