

# Third Eye Blind, Cry Cry Cry (Featuring Merle Ha

Everybody knows where you go when the sun goes down  
I think you only live to see the lights of town  
I wasted my time when I would try, try, try  
Cause when the lights have lost their glow, you'll cry, cry, cry

Soon your sugardaddies will all be gone  
You'll wake up some cold day and find you're all alone  
You'll call for me but I'm gonna tell you bye, bye, bye  
And when I turn around and walk, you'll cry, cry, cry

You're gonna cry, cry, cry  
And you'll cry alone  
When everyone's forgotten  
And you're left on your own  
You're gonna cry, cry, cry, cry

I lie awake at night and wait till you come in  
You stay a little while and then you're gone again  
Every question that I ask, I get a lie, lie, lie  
For every lie you tell, you're gonna cry, cry, cry

You're gonna cry  
And then you'll, you'll cry alone  
When everyone's forgotten  
And you're left on your own  
You're gonna cry, cry, cry, cry

When your fickle love gets old and no one will care for you  
You'll come back to me for a little love that's true  
I'll tell you no and then you'll ask me why, why, why  
When I remind you all of this, you'll cry, cry, cry

You're gonna cry, cry, cry  
And you'll, you'll want me then  
It'll hurt you when you think of  
All the fool you've been  
You're gonna cry, cry, cry, cry  
Cry, cry, cry, cry  
You're gonna cry, cry, cry...

It's gonna hurt you...  
Hurt you
