Third Eye Blind, Jumper

I wish you would step back From that ledge my friend You could cut ties with all the lies That you've been living in And if you do not want to see me again I would understand, I would understand The angry boy a bit too insane Icing over a secret pain You know you don't belong You're the first to fight You're way too loud You're the flash of light on a burial shroud I know something's wrong Well everyone I know has got a reason To say put the past away I wish you would step back From that ledge my friend You could cut ties with all the lies That you've been living in And if you do not want to see me again I would understand, I would understand Well he's on the table and he's gone to code And I do not think anyone knows What they're doing here And your friends have left you You've been dismissed I never thought it would come to this And I, I want you to know Everyone's got to face down the demons Maybe today You could put the past away I wish you would step back from That ledge my friend You could cut ties with all the lies That you've been living in And if you do not want to see me again I would understand, I would understand I would understand, I would understand I would understand, I would understand

Can you put the past away
