

Third Eye Blind, One Of Those Christmas Days

I'm gonna stuff my present up your chimney
And the melted snow will make it all wet
Cuz it's gonna be one of those Christmas days
Spent in bed
I will be your little drummer boy
I'll beat it till you feel no pain
Cuz baby you're my Christmas joy
When you're sucking on my candy cane
It's gonna be one of those Christmas days
We spend in bed
It's gonna be one of those Christmas days
We spend in bed
Merry Christmas!
