

Third World, All The Way Strong

There isn't a simple way
To tell you how I feel for you
I hope this is just a game you're playing
'Cause I don't want us to be through

My love is all the way strong
My love is all the way strong
To help us carry on
To help us carry on

And my kind of happiness
Is living in love with you, baby
But lately you seem so uninspired and so
unwilling baby
To see things as I do

My love is all the way strong
My love is all the way strong
To help us carry on
To help us carry on

You're the sunshine, baby
You're the magic in my eyes
You're the sunshine, baby
You're the magic in my eyes

My love is all the way strong
My love is all the way strong
To help us carry on
To help us carry on

All the way strong, baby
'Cause you're my sunshine
Can't you see you're magic in my eyes
Hey, you pick me up when I'm falling down
Oh my baby, my baby, my baby, my baby
Ooh... You're the magic in my yes
You're the sunshine, baby
Can't you see it shining so bright...
