

# Thirsty Merc, Now Or Never

Hey girl  
You're runnin away from me  
I can't give you any more than honesty  
I must read like an old love letter  
Little girl  
Its now or never

We've had  
some time to learn the rules  
I'm so bad at wearing other peoples shoes  
I really thought that we could be together  
And thats why  
It's now or never  
(It's now or never)

I can't live this life without you  
And I don't care if they say  
I'm off my head  
Cause baby when it's now or never  
It's now or never ☐

We both know  
You called my phone to speak  
But I was freakin so I turned the other cheek  
I know now was less than clever

Little girl, it's now or never

If you  
could read my troubled mind  
If only you could feel my heart beat overtime  
I'd make it known on this earth forever  
I want you  
and it's now or never  
It's now or never

And like a candle burning  
Both ends are melted all through  
My hourglass is turning  
I can't live this life without you  
And I don't care if they say  
I'm off my head  
'Cause baby when its now or never  
It's now or never  
It's now or never

I'm not off my head  
I'm not off my head  
I'm not off my head  
I'm not off my head
