

Thirty Seconds To Mars, Get Up Kid

Utwór 'Get Up Kid' z albumu 'It's The End Of The World But It's A Beautiful Day' od Thirty Seconds

You had to see it
Had to be there couldn't call
I spent the New Year
Oh just thinking bout the fall
God broke my heart
But hey life ain't got any laws
Reached the border
Now I'm climbing up the walls

And baby it's bittersweet
To love someone but to watch them leave
You took the wind out of me
And knocked me off my feet

Get up kid
Don't give in
Waited your whole life for this

Get up kid
Swing and a miss
But life's around the bend

When the lights are on
But your heart ain't home
Get up kid
Get up kid

You won't believe it
But take a good look in my eyes
We spent the summer
Making love and getting high
God broke my heart
But hey life ain't got any laws
Reached the border
Now I'm climbing up the walls

And baby it's bittersweet
To love someone but to watch them leave
You took the wind out of me
And knocked me off my feet

Get up kid
Don't give in
Waited your whole life for this

Get up kid
Swing and a miss
But life's around the bend

When the lights are on
But your heart ain't home
Get up kid
Get up kid

Some nights I don't ever wanna live like this
Everyday I'm away I imagine I could die for you
Some nights I don't ever wanna live like this
Everyday I'm away I imagine I could die

When the lights are on
But your heart ain't home
Get up kid

Get up kid
