

Thirty Seconds To Mars, Hail to the Victor

Another life, another love
Another kill, another drug
Another touch, another taste
Oh oho h

Another night, another war
Another 'where are we fighting for?'
A lot of lust a bit of pain
Oh oh oh

Is everybody out here crazy?
Anybody want a war , war?
Everybody out here crazy
Crazy, hail to the victor
Hail to the victor

Another duck, nother down
Another game, another god
Another day to buy your fate
Oh oh oh

Took a left to right a wrong
Another battle in babylon
Out of luck, but full of faith
Oh oh oh

Is everybody out here crazy?
Anybody want a war , war?
Everybody out here crazy
Crazy, hail to the victor
Hail to the victor

I swear on heaven and hell
This is my revenge
Thank God, iam high tup above
This is not the end

My frienfd, it's not he end
My frienfd, it's not he end
My frienfd, it's not he end
My frienfd, it's not he end
Hail to the victor
Hail to the victor
