

This Beautiful Republic, Jesus To The World

Sometimes it's hard to see You, but I see Your people
Sometimes it's hard to hear You, but I heard Your preachers
My proof is in the way, the way that they shine
That's how I know that

The sun is coming down
I get the feeling that I'm not home yet
Yeah, it's Your people
They're Jesus to the world

When it was hard to see You, they gave me another chance - like You
When it was hard to hear You, I could hear them speak Your words
My proof is in the way, the way that they shine
That's how I know that

It's always the way, the way I know
