

Thomas Dybdahl, Adelaide

yesterday it seemed
life was just a dream
a bad dream
you watch them all day long
feel you don't belong but you're wrong
life is good today
had a pretty boy look your way
don't worry Adelaide
life is good today
had a pretty boy look your way
don't worry Adelaide
Adelaide
you see the other girls
a strand of perfect pearls
and one day the sun will shine upon your face and you will find
someone beautiful
life is good today
had a pretty boy look your way
don't worry Adelaide
life is good today
had a pretty boy look your way
don't worry Adelaide
Adelaide
and one day the sun will shine upon your face and you will find
you're beautiful
life is good today
had a pretty boy look your way
don't worry Adelaide
life is good today
had a pretty boy look your way
don't worry Adelaide
