

Thomas Dybdahl, Stay Home

Stay home with me
Never look back
I won't let you down
I won't make a sound
If you stay home with me
I'd nevner let go
I won't do you harm
I'd never go far
Just stay home with me
Stay home with me
Never look back
I won't let you down
I won't make a sound
If you stay home with me
I'd nevner let go
I won't do you harm
I'd never go far
Just stay home with me
