

Thomas Rhett & Kane Brown, On Me (featuring A

you could call, you could call on me
you could call, you could call on me
and if you want to tell me what you gon' do
you could call, you could call on me

speedin' , 90 in a 65
grabbed the key and didn't tell 'em why
just hit the road
when you need me
relaxin'
getting' in my way
I am flyin' down the interstate
just know
just know

when you can't pull through
whne life's hard on you
kno wit ain't no thing
know ut ain't no thing
you know what to do

you could call, you could call on me
you could call, you could call on me
and if you want to tell me what you gon' do
you could call, you could call on me
you can count on me
1, 2, 3 ,
make it easy for you
a, b, c,
and if you want to tell me what you gon' do
you could pull, put in all on me
