

Thompson Twins, Salvador Dali's Car

I had a dream, a dream that would make you scream
I was climbing inside a brilliant mind
I was gathering flowers from the bottom of the ocean
And laughing to myself in real slow motion

Lying in the gutter
Shooting up the stars
I'm driving in Salvador Dali's car
(He's driving in Salvador Dali's car)
Yeah I'm driving but I just can't get that far

I was dancing with the daughter of Harry Dean
Wearin' a pair of boots that didn't belong to me
And there were half a dozen cowgirls doing much the same
And for one sweet moment I forgot my own name

Lying in the gutter
Shooting up the stars
I'm driving in Salvador Dali's car
(He's driving in Salvador Dali's car)
Yeah I'm driving but I just can't get that far

I wanna feel it
I wanna feel it
Yeah Yeah Yeah Let's go

I was drawing up plans to save the world
From all the evil hearts and all those skinny girls
Then I realised I was wasting all my time
'Cause it was just another movie playing in my mind

Lying in the gutter
Shooting up the stars
I'm driving in Salvador Dali's car
(He's driving in Salvador Dali's car)
I'm driving but I just can't get that far
(He's driving in Salvador Dali's car)
Yeah I'm driving but I just can't get that far

So let's go
C'mon c'mon c'mon let's go
Let's go
