

# Thompson Twins, Savage Moon

The pressure is on  
The wolf is at the door  
All the ghosts that haunt my life  
Are screaming out for more  
I try to fight them  
But I just can't win  
I'm always on the outside  
Always tryin' to get in  
Tell me again of what love can bring oh-oh

I was touched by a savage moon  
I was kissed by a burning sky  
I can run away but there's nowhere to hide  
I'll be running 'til the day I die

Well there's a civil war that's raging  
Raging in my soul  
C'mon hold me close  
Save me from the cold  
If you take a chance  
I'll take one too  
It won't be that hard  
When we've got nothing to lose  
Weave me a tale where love is true

I was touched by a savage moon  
I was kissed by a burning sky  
I can run away but there's nowhere to hide  
I'll be running 'til the day I die

If I could believe in fairytales  
A life of happy endings that would never ever fail  
Tell me a story where love is true

I was touched by a savage moon  
I was kissed by a burning sky  
I can run away but there's nowhere to hide  
I'll be running 'til the day I die  
'Til the day I die

Until the day I die  
Under a savage moon  
Until the day I die  
Under a savage moon  
Until the day I die  
Under a savage moon  
Until the day I die  
Under a savage moon  
Until the day I die  
Under a savage moon  
Until the day I die  
Under a savage moon  
Until the day I die  
Under a savage moon  
Until the day I die  
Under a savage moon  
Until the day I die
