Thornley, Clever

Crush my only nerve Overstate what you deserve Crawling on the floor One can see under the door You're so clever, you never Said we would last forever I twist it, I missed it Can't keep this thing together Said hey, no way Can't deal with this today Yes I guess you're so clever Crack your ready whip Gentlemen shoot from the hip Throw my fears away I can't afford them anyway You're so clever, you never Said we would last forever I twist it, I missed it Can't keep this thing together Said hey, no way Can't deal with this today Yes I guess you're so clever [Bridge] You're so clever, you never Said we would last forever I twist it, I missed it Can't keep this thing together Said hey, no way Can't deal with this today Yes I guess you're so clever
