

# Thornley, Found Another Way

How could you show me that life's worth living  
I'll never live it with you  
And every time there's a gift worth giving  
You won't let me give it to you  
When everything was right Oh Oh  
Now everything seems wrong Oh Oh  
The last words spoken  
I found another way  
I found another way  
I found another way  
And I want you notice  
Empty houses are full of promise  
So many things you can do  
And every time that the phone starts ringing  
I can't help but think that it's you.  
When everything was right Oh Oh  
Now everything seems wrong Oh Oh  
The last words spoken  
I found another way  
I found another way  
I found another way  
And I want you notice  
When everything was right Oh Oh  
Now everything seems wrong Oh Oh  
The last words spoken  
I found another way  
I found another way  
I found another way  
And I want you notice
