

Those Dancing Days, Those Dancing Days

On the top of satisfaction
yves Saint Laurant shades in the darkness
summer attraction pounding in my veins
time doe's not exist

High on life, in love with me
dancing in the night, dancing through the days
X2

Living for music, living in a dance
music for life, those dancing days
X2

On the top of satisfaction
yves Saint Laurant shades in the darkness
summer attraction pounding in my veins
time doe's not exist

High on life, in love with me
dancing in the night, dancing through the days
X2

Living for music, living in a dance
music for life, those dancing days
X2
