

Thousand Foot Krutch, Lift It

Verse

In my temptation to walk away,
And through the endless troubled days,
There's a hundred million ways,
For me to release Your praise,
And by and by, through the tears,
And things You've taught me through the years,
My whole life was designed by You,
I'll never know anyone half as true,

Chorus

Lift it up, I lift it up,
Lift it up so You can see,
Lift it up, I lift it up,
Lift it up from inside of me,
Lift it up, I lift it up,
Lift it up so You can see,
Lift it up, I lift it up

So I lift it,
I lift it up to You,
And I'll never forget the times that we've been through,
So I lift it,
I said I lift it up to You,
And I surrender all of me,
To You, to You, to You,
Everything I'll ever be,
To You, to You, to You,
I surrender all of me,
To you... Everything I'll ever be,
To you...
