

Three 6 Mafia, Big Pat's Warehouse (Skit)

It used to be an old convenience store
boarded up for about 10 years
when I seen it I knew it was as good as gold
built it up from nothing
most motherfuckas can't do what I did
do you know what's wrong with average motherfucka?
Is that they fail to see the big picture
All they want to do is ride around in a fancy car, buy some expensive jewelry
or show off a big bank roll to impress some bitch
But that's the shawt chesse
