[Juicy J]

Hangin' on the corner wit' my nigga P

Just across the street

Walkin' up a freak

I heard her name Gretchen

Her pussy tight and gripping

Straight from the hood so we call her chicken

Lookin' like her mother,smellin' like her granny

Switchin' wit' a skirt

Never wearin' panties

Said she want a friend to screw her at summer inn

Hydro weed and a case of henn

Take her to a room,next thing ya know

A nigga hit the do' like he on that blow

I was havin' fun tryin' to get her tongue

Then he pulled a gun so I had to run

Call up on the boys smokin' on the pound

Rolled through his hood left him in the ground

Make another stop house of the slut

Walked in the crib beat the bitch up

[Chorus-2x]

[Gangsta Boo]

Chillin' in Miami

Where da bitch at

I'm layin' back

Restin' up to party a club where da stars at

You got that,don't act like you don't when you hit this

You know that,you licked on my pussy you trick bitch

So left bitch,you dig this my pimp shit is too thick

For me to be fuck with so fuck all that gossip

And watch this not topless but Boo bitch so sexy

Lips of the pussy that got you niggas beggin'
