

# Three 6 Mafia, Hard Out Here For A Pimp

(Chorus)

You know it hard out here for a pimp  
When he tryin to get this money for the rent  
For the cadillac and gas money spent  
Will cause whole lot of bitches jumping ship

You know it hard out here for a pimp  
When he tryin to get this money for the rent  
For the cadillac and gas money spent  
Will have a whole lot of bitches jumping ship

(Verse 1)

In my eyes I dun seen some crazy thangs in the streets  
Gotta a couple hoes working on the changes just for me  
But I gotta keep my game tite like Kobe on game nite  
Like kickin from a hoes dont know no better I know that ain't right

Dun Seen people killed, dun seen people killed,  
dun seen people living poverty with no meals  
It's f\*\*ked up where I live  
But this shit's how it is  
It but might be new to you  
but it's been like this for years

It's blood sweat and tears when it comes down to this shit  
I'm trying to get rich fore I leave up out this bitch

Tryin to have thangs but it hard for a pimp  
But I'm praying and I'm hoping to GOD I don't slip

(Chorus)

You know it hard out here for a pimp  
When he tryin to get this money for the rent

For the cadillac and gas money spent  
Will cause a whole lot of bitches jumping ship

You know it hard out here for a pimp  
When he tryin to get this money for the rent  
For the cadillac and gas money spent  
Will have a whole lot of bitches jumping ship

(Verse 2)

Now it seems like I'm ducking doging bullets everyday  
Niggas hatin on me cause I got hoes on the tray  
But I gotta stay paid, gotta stay above water  
Couldn't keep up with my hoes that when shit got harder  
North Memphis where I from  
I'm 7 street bound  
Where niggas all the time end up lost and never found  
Man these girls take me through thangs leave a big head  
And I hoping every night they don't end up being dead  
Wait I got a snow bunny and a black girl two  
You pay the right price and they'll both do you  
That's the way the game goes gotta keepin strictly pimpin  
Gotta have my hustle tite make this change of these women

(Chorus)

You know it hard out here for a pimp  
When he tryin to get this money for the rent  
For the cadillac and gas money spent  
Will cause a whole lot of bitches jumping ship

You know it hard out here for a pimp  
When he tryin to get this money for the rent  
For the cadillac and gas money spent  
Will have a whole lot of bitches jumping ship
