Im at the cut
droppin the fiend down with the monkey nuts
Im tired

and on the tweleve I geuss
but now its time cut the shit
wheres my mind at my best
I gotta test
a nigga to see what he got can a fool

I layin it down on his face
but dont waste time
I gotta roll straight through the shit
sometimes I wonder will it end
cause I rob for petty shit
Im riskin my life pullin yo card
after yall push him off the wood grain
a pop off his smile a one eight spot
Im dodgin the cops
