Verse 1 DJ Paul

Now how the hell you little nigglets

Try and test me

Knowing the whole time you grew up on the green

Y'all trying to be Paul

But I ain't tryin' to be y'all

Your pockets is empty

Like summertime school halls

I'm worldwide trick

You're on the radio in one goddamn city

So check your crooked lip bitch

And change yo plans

It's the numbers on your phone

And numbers on your cell

Verse 2 Juicy J

I ain't messed up by messin crooked cowards

Wit a nigga name testing my gangsta

Get his f\*\*kin feelings hurt

Eyes 45 on the fish desert green

Sippin hen smokin and coughin on the scene

You say you wanna fight I know you is a joke

So step in the ride

They call me the Juice

And it's the truth

It's wit all the sports

So watch bitch

Verse 5 D-Rock  
Nigga you bleed like I bleed  
We born to die  
I never seen man cry till my nigga got shot  
I hear you talking but actions speak louder then words  
Nigga f\*\*k what you heard I ain't never scured  
Can you walk it like you talk it  
Show a nigga you real  
But shit like that get niggaz killed  
Either you won't but nigga you will  
All these stories you makin up killin my ill  
And my patience ain't long at all  
Nigga don't f\*\*k wit me if I ain't f\*\*kin wit y'all  
'cause I'm ready for the world but is it ready for me  
What you see on TV is on these streets  
Some of these niggaz ain't as hard as they say they is  
And niggaz don't live like they sayin they is  
They wanna roll wit thug niggaz and gangstaz  
But real ass niggaz don't roll wit wankstaz
