

# Three 6 Mafia, Mask And Da Glock

hangin out tha window holdin tight to my murder wepon hit the light creep up slow bullet let me know  
(course)x4 break out the mask and the glock and get rid of you (pop pop till you drop body full of lead)  
stright from the north bitch ridge grove is my stomping ground you niggas don't make a move you better  
(course)X4
