A pimpin' ass nigga from the South of Memphis man
Hangin' on that boomin' track, bailin' on this gang bay

Try to test a real playa over there and get sprayed
Shit no motherfuckas that's just how my niggas do

As long as you got half on a sac or some blow
And then we can ride around while scopin' out the dirty hoes
Seein' just if, we can get a dicksuck
To spyin' out a motherfucka we don't like cause he gettin' jumped
