This for the smokers and cheifers  
She get on reefer her throat is deeper  
Strait from a skeezer who stimulated to suck my pita  
Riding on ox and Vogues  
Hallin and flockin hoes  
Which won of these bitches 'll suck me clean as mop and glow  
You ho in the freight can slow it  
Yo mouth and my dick component  
A solid contraption we comin' bitches a magic moment  
Inside of a Navigator  
Bitches 'll masturbate ya  
This sweat is activator  
Vanilla her favorite flavor  
The semen ejaculator  
But T-Rock 'll never pay ya  
If she broke then she wont hand a black wit out hoe and later  
Yo payment is from the labor  
Obedient to my favors  
When she get hi her favorite food is dick and Now-n-Laters  
A true gullin' rooty playa  
Hella-fresh in my Gators
